

at (**AQUA LIGRO®**) a new
water-pass-through-device
has been developed
according to highest cognitions
(intuitions) which is named:

Water Evolution

innovator: Petra Bentrup

Wonderful water crystals have emerged after the water has streamed through the
Water Evolution device.

Even distilled water showed perfect crystals.

„**Water Evolution**“

Bourdeswasser

The experiences people made while bathing and after bathing were fairly touching

«*you feel in the water, wrapped in love*»
